

COVID19 Safety Protocol

1

EVENT SETTING

The chef will travel to the hosts home to prepare meals for the event. The host will be responsible for setting the guests in a safe environment.

EQUIPMENT

2

The chef will bring the necessary equipment to prepare the meal and will make sure that everything has been cleaned/sanitized before entering the host's home.

3

KITCHEN

Kitchen counters and other commonly touch areas will be sanitized prior to start cooking and after the service is finished.

FOOD HANDLING

4

The chef will follow food safety best practices recommended by the Servsafe Food Safety Program and FDA Food Code.

5

THE CHEF

Five Senses Palate staff has been fully vaccinated. They will continue to adhere to the safety recommendations from the health department and the CDC, including face covering & social distancing.

THE HOST & GUESTS

6

The host will be asked to ensure that guests do not present any flu-like symptoms the day of the event. Recommended physical distance should be maintained from the chefs and other guests.
